

For use of the Lexia Programs (Early Reading, Primary Reading, Strategies for Older Students), follow these steps before logging in to the desktop (SCEDesktop/SPEDesktop).

1. Go to <http://www.sssd.k12.co.us>
2. Click on the Remote Access button on the left.
3. Read the instructions and scroll down to *Returning Users click link below*.
4. Click the link to access the Log In page.
5. Log in with your school user name and password.
6. In the Applications window, click on the second button from the left which will be "Click here to customize the user interface".
7. Click on Connection Preferences.
8. On this screen under Select Window Size, choose Full Screen from the drop down box.
9. Choose your Connection Speed if desired.
10. Click OK.
11. Click on the first button to the left by Settings "Click Here to return to the Application list".
12. You should see the appropriate desktop again.
13. Click the desktop to continue logging in.
